We will study five ordinary Old Testament people whose lives were used for God's Glory and the good of God's people. The study will include video presentations from "The Faithful" Bible Study, featuring 5 different women speakers. Each participant will need their own workbook for the study course. There is a **sign-up sheet** on the table in the vestibule.

THIS IS REAL LOVE:

God showed how much he loved us by sending his one and only son into the world so that we might have eternal life through him.

God's amazing love shown through His Son, *Jesus*.

PRAISE HIS HOLY NAME!

Love One Another

Our love for each other should be as unconditional as God's love is for us. He knows all about us and loves us just the same. He loves us although we have offensive characteristics and experience many failures. Thus we should love one another. True Christian love, God's kind of love, will ignore difference of color, race, denomination and disposition. What a revival our churches would experience if all believers, or even the majority of believers, would learn to love one another as God has loved us.

Hallmarks of true love

1. A genuine interest in the other person in all that he/she says and does.
2. Common tastes, ideals, and standards with no serious clashes.
3. A greater happiness in being with this one person than with any other.
4. A real unhappiness when the other person is absent.
5. A great feeling of comradeship.
6. A willingness to give and take.

Love is like magic.

And it always will be.

For love still remains

Life's sweet mystery!

Love works in ways

That are wondrous and strange

And there's nothing in life

That love cannot change!

Love can transform

The most commonplace

Into beauty and splendor

And sweetness and grace!

Love is unselfish.

Understanding and kind.

For it sees with its heart

And not with its mind!

Love is the answer

That everyone seeks

Love is the language

That every heart speaks

Love can't be bought,

It is priceless and free,

Love like pure magic

Is a sweet mystery.

WORDS

A careless word may kindle strife

A cruel word may wreck a life:

A bitter word may hate instill;

A brutal word may smite and kill:

A gracious word may smooth the way;

A joyous word may light the way:

A timely word may lessen stress;

A loving word may heal and bless.

Selected

*Have you missed the golden highway
That leads upward unto God
Over which a loving Savior
In His mercy long has trod?
Have you felt alone, discouraged,
Do your troubles seem to grow?
There is someone who can help you,
He's the someone you should know,
He's the helper of the helpless,
He's the lover of the soul,
He's the giver of salvation,
By His grace you can be whole.*
