## True Love

Love can always conquer  
Whatever discord brings  
and love can also cover  
a multitude of things.

Don't you underestimate  
what love can ever do,  
for love is God eternal  
and His love can renew.

What is cold and lifeless,  
now lost all hope and died,  
for love can breathe new meaning  
and give it back new life.

Please don't give up on love  
when it seems that all is lost,  
for there is always hope  
if we're prepared to pay the cost.

For love is always worth it  
no matter how much the price,  
for love will be much stronger  
when we trust in Jesus Christ.

So let God have full reign,  
let Him live within your heart  
then you will know true love,  
for this He will impart.

## Love Your Spouse

My husband loves old cars; and things that go with old cars. It's what he LOVES. They are time machines, the closest we can get to traveling to the past and participating in it, the design of it. Like old houses. The parts for these cars sometimes appear in brown boxes on our porch, and I step over them (or trip over them), but what I won't do...is complain about it to my friends. Or my parents. I see a troubling thing sometimes, spouses complaining about each other. Their beloved's faults become something for the girls to laugh about. And when every argument is public consumption for your parents and friends to analyze, oh that's the very worst. Your small thing that's forgotten by morning becomes a check mark in the bad column that others won't forget. So to you young folks on the cusp of something forever, please remember this: guard your spouse by keeping your disagreements private. Everyone has them, but let them be yours. When you chose to love them forever, you chose to guard your heart and theirs against intruders. Never forget who you fell in love with, all the big and small things they do for you, all the times they put you first. And remember how sexy he looks driving those old cars when they finally crank. *Erin Napier (HGTV "Hometown")*

## Advice on Love

"Spend your time on those that love you unconditionally. Don't waste it on those that only love you when conditions are right for them."

"The bravest love is wildly faithful and it falls hard again every morning. It knows what we seek may be found in what we already have...it's grace and fresh gratitude that can make us strong enough to marvel in the seeming monotony of anything. And the happily married have eyes that look long enough to make the familiar new." ~ *Ann Voskamp*

"This generation has lost the true meaning of romance. There are so many songs that disrespect women. You can't treat the woman you love as a piece of meat. You should treat your love like a princess. Give her love songs, something with real meaning. Maybe I'm old fashioned, but to respect the woman you love should be a priority." ~ *Tom Hiddleston*

"The greatest thing you'll ever learn is just to love and be loved in return."  
~ *Eden Ahbez*

"Blaming has no positive effect at all, nor does trying to persuade using reason and arguments. That is my experience. No blame, no reasoning, no argument, just understanding. If you understand, and you show that you understand, you can love, and the situation will change." ~ *Thich Nhat Hahn*

"Don't fall in love with someone who says the right things. Fall in love with someone who does the right things."

"Be best friends and partners, always willing to give 90% to the other. I say 90% because if you give 100% then there will be nothing left for yourself and you need to have something left or else you may disappear."
