THE CROWN OF MOTHER'S DAY

She gently rocked her little ones When they were baby-small; She always stayed quite close at hand That she might hear their call. She taught them how to say their prayers, To live their life for others. She knew hers was a sacred role, The role of a Godly mother.	As time progressed she watched them grow; Oh, how she loved them still! In silence, yet so faithfully A mother's role she filled. Her children call her blessed now; "Thanks" at her feet they lay. Today she wears her just reward The Crown of Mother's Day.

but none are more precious than the gift of a mother's love!"***

A Mother's Prayer

As a mother, O Lord, help this woman to be
A light house beside life's troubled sea;
When storm clouds sweep my family's skies
Let me light hope in my husband's eyes.
Help me be gentle and kind during the tedious hours,
That my offspring may blossom like buds into flowers;
Then when their stars blind out and wild winds blow
Let me show my children the way they should go.
When a crisis comes to our home and hope seems lost,
Give me the strength, Lord, to guide the tempest-tossed.
Please, God. help me to live so close to Thee,
That a lighthouse each day to my family I'll be.

DEDICATION: This bulletin is dedicated to the loving memory of those mothers who are in the arms of Jesus. Still loved, still missed and very dear. We remember them with a smile today and not a tear for when someone you love becomes a memory, the memory becomes a treasure.

Thank God for those precious memories!
