*Like a hope divine in this troubled world
A mother's care has its part...
For God has hidden a love like his own
In the depths of a Mother's heart.*

DEDICATION: This bulletin is dedicated to the loving memory of those mothers who are in the arms of Jesus. Still loved, still missed and very dear. We remember them with a smile today and not a tear for when someone you love becomes a memory, the memory becomes a treasure.

Thank God for those precious memories!

PRECIOUS IS A MOTHER'S LOVE

So tender is a mother's love,
A love that can't be measured,
A love we know, without a doubt,
Is one that's to be treasured.

For god instilled this special love
Within a mother's heart
For all of her dear children,
Though near or far apart.

Unchanging is a mother's love
Throughout the fleeting years,
A love that's wrapped with gentleness
Which wipes away all tears.

How precious is a mother's love,
It lingers all the while,
And keeps alive that heavenly bond
Between a mother and her child.

MOTHER'S DAY

Today belongs to Mother,
Make her happy – make her day.
Just by telling her you love her
In some special, little way.

There is no one more deserving
Of the kindness you may show,
For her life is spent in serving
All your many needs, you know.

Though at times her role is straining
And she's always underpaid,
Seldom is she heard complaining
That's the way a Mother's made!

She has little time for pleasure
For herself she asks no wealth,
Only one desire she treasures,
For your faith, success, and health.

She'll appreciate your flowers
And the gifts you send her way,
But the one that most inspires
Is your love on Mother's Day.

So BLESSED By You, Mom

A mother who always cares,
A mother who's always there.
A mother who always prays,
A mother who always stays.

When things get rough,
When life gets tough,
When all is just too much to bear,
God's Word she shares.

God's light she shines.
So blessed God made this mother mine.
