# HAPPY GRANDPARENT'S DAY!

National Grandparents Day is an annual observance in the United States that honors grandparents and other seniors, and seeks to strengthen relationships between the generations.

Grandparents Day was established to honor grandparents and to commemorate the special bond between grandparents and their families. The holiday was instituted by Congress in 1978 and is celebrated on the first Sunday after Labor Day in the U.S.

On Grandparents Day we celebrate the special people whose love makes such a difference in our lives. In 1978, the U.S. Congress recognized grandparents by proclaiming a National Holiday in their honor.
