Church Note: Thank you everyone for making our Thanksgiving meal and services a much-enjoyed experience.

Laugh a While: An elderly woman had just returned to her home from an evening of Church services when an intruder startled her. She caught the man in the act of robbing her home of its valuables and yelled, "Stop! Acts 2:38!" (Repent and be baptized, in the name of Jesus Christ so that your sins may be forgiven.)

The burglar stopped in his tracks. The woman calmly called the police and explained what she had done. As the officer cuffed the man to take him in, he asked the burglar, "Why did you just stand there? All the old lady did was yell a scripture to you." "Scripture?" replied the burglar, "She said she had an Ax and Two 38s!"

AUTUMN QUOTES

"A fallen leaf is nothing more than a Summer's wave goodbye."

"And all at once, Summer collapsed into Fall."

"Listen! The wind is rising, and the air is wild with leaves, we have had our Summer evenings, now for October eves."

"I'm so glad I live in a world where there are Octobers."

"Everyone must take time to sit and watch the leaves turn."

"I would rather sit on a pumpkin and have it all to myself, than be crowded on a velvet cushion."

"Anyone who thinks fallen leaves are dead has never watched them dancing on a windy day"

"Fall is a second Spring when every leaf is a flower"

"Fall is as joyful and sweet as an untimely end."

"Autumn leaves are falling, filling up the streets; golden colors on the lawn, nature's trick or treat!"

"Winter is an etching, Spring a watercolor, Summer an oil painting and autumn a mosaic of them all."

"There is something incredibly nostalgic and significant about the annual cascade of Fall leaves."

"It was a beautiful, bright Fall day, with air like cider and a sky so blue you could drown in it."

"Autumn is the mellower season, and what we lose in flowers we more than gain in fruits."

"I loved Fall, the one season of the year that God seemed to have put there just for the beauty of it."

"Autumn carries more gold in its pocket than all the other seasons"

"Autumn leaves don't fall, they fly. They take their time and wander on, this their only chance to soar."

"Dancing of the autumn leaves on a surface of a lake is a dream we see when we are awake."

"Notice that autumn is more the season of the soul than of nature."

"It looked like the world was covered in a cobbler crust of brown sugar and cinnamon."

"The heart of autumn must have broken here, and poured its treasure upon the leaves."

"The heat of autumn is different from the heat of Summer. One ripens apples, the other turns them to cider."

"Every leaf speaks bliss to me, fluttering from the autumn tree"

Though Fall is traditionally a season of letting things go, it can also be a season of renewal and rebirth. It can be a time to adopt a fresh new outlook on life and find enjoyment in the little things. There may be fewer flowers, but there are plenty of ripe fruits to be found! From group hikes to apple picking and pumpkin patches, Fall is the best season to get out outside with friends and family. Many churches and local organizations have pumpkin patches where you can go and snap a few photos and buy a few pumpkins.
