Memory Verse for Monday, June 9th – Truth Comes From God

"Thy word is true from the beginning: and every one of thy righteous judgments endureth for ever." Psalms 119:160

DEDICATION: This bulletin is dedicated to the loving memory of those mothers who are in the arms of Jesus. Still loved, still missed and very dear. We remember them with a smile today and not a tear for when someone you love becomes a memory, the memory becomes a treasure.

Thank God for those precious memories!

Mother's Day

Into a precious vessel

God pours tenderness and love,
An understanding heart, and all the
joy a child dreams of...

He gives her His compassion
and a kindness like no other
Then wraps her in His quiet
strength

and gently calls her "Mother."

A Mother's Special Love

Our heavenly Father could have sent
His Son with angels bright;
He could have sent Him fully grown
To save man from his plight.

But He who is all wisdom
Chose to place in hands of love
The future of the universe,
The glory of above.

He knew there was no other love
On earth which could compare
To the unique devotion
Of a mother's special care.

So deep His trust in this rare love,
His faith in it so sure;
He gave a mother His own Son,
Entrusting Him to her.

In doing so, He lifted up
This role above all others;
And proved that there's a soft spot
In his heart of hearts for mothers.

Portrait of a Mother

A mother can be almost any size or age, but she will not admit to anything over thirty. She has soft hands and smells good. A mother likes new dresses, music, a clean house, her children's kisses, an automatic washer, and Daddy. A mother does not like having her children sick, muddy feet, temper tantrums, loud noise, or bad report cards. She can read a thermometer (much to the amazement of Daddy) and like magic, can kiss a hurt away. She can also bake good cakes and pies, but likes to see her children eat vegetables. A mother can stuff a fat baby into a snowsuit in seconds and can kiss little faces and make them smile. She is underpaid, has long hours, and gets very little rest. She worries too much about her children. And no matter how old they are, she still likes to think of them as her little babies. A mother is the guardian angel of the family, the queen, the tender hand of love. She is the best friend anyone ever has. A mother is love.
