### **Back-to-School Backpack Campaign:**

There is a donation jar in the vestibule if you would like to make a donation to help with the cost of our Backpack Campaign. We plan on filling 48 backpacks with school supplies to help with the cost of returning to school. This is a great outreach program as not only do the recipients get a backpack full of school supplies, they also will receive some Gospel literature. The backpacks will be distributed on Sunday morning, July the 21<sup>st</sup>. Thank you in advance for your ongoing generosity – whenever there is a need or project, you all always step up and make things happen. To God be the Glory!

### **VACATION TIME**

Vacation time is here once more,  
With all its joys and thrills;  
The time to scale the mountains  
heights  
And roam the lovely hills;  
The time to go down to the beach  
And learn to fish and swim;  
But let's not forget the Lord of all  
And what we owe to Him.  
Vacation time is the time to rest  
To relax and be at ease,  
To forget our worries and our cares  
And do just what we please.

Tis true our bodies need some rest,  
From worry, work and care.  
But let's remember God each day  
And go to Him in prayer.  
Our bodies need our constant care  
To keep them fit and trim;  
But God alone can help the soul  
So let us trust in Him.  
And as we seek for fun and ease  
Our bodies to renew,  
Let's draw yet closer to the Lord  
Who died for me and you.

### **A Prayer for Healing Our Country**

*Ronald Reagan*

To preserve our blessed land we must look to God.... It is time to realize that we need God more than He needs us.... We also have His promise that we could take to heart with regard to our country, that "If my people, which are called by my name shall humble themselves, and pray and seek my face, and turn from their wicked ways; then I will hear from heaven and will forgive their sin, and will heal their land." Let us, young and old, join together, as did the First Continental Congress, in the first step, in humble heartfelt prayer. Let us do so for the love of God and His great goodness, in search of His guidance and the grace of repentance, in seeking His blessings, His peace, and the resting of His kind and holy hands on ourselves, our nation, our friends in the defense of freedom, and all mankind, now and always. The time has come to turn to God and reassert our trust in Him for the healing of America... Our country is in need of and ready for a spiritual renewal. Today, we utter no prayer more fervently than the ancient prayer for peace on Earth. If I had a prayer for you today, among those that have all been uttered, it is that one we're so familiar with: "The Lord bless you and keep you; the Lord make His face to shine upon you and be gracious unto you; the Lord lift up His countenance upon you and give you peace...." And God bless you all.
