VETERANS DAY

A DAY TO REMEMBER

THOSE WHO KEEP AMERICA FREE!

We pay tribute to our nation's past and present military veterans, those who served in both war and peace, stateside, abroad and homeland.

On this Veterans Day let us pray as we have in times past: "Please God, Bless America, the land that we love. Stand beside her, and guide her . . . through the night with the light from above."

A VETERAN'S DAY TRIBUTE

When America had an urgent need,
These brave ones raised a hand;
No hesitation held them back;
They were proud to take a stand.

They left their friends and family;
They gave up normal life;
To serve their country and their God,
They plowed into the strife.

They fought for freedom and for peace
On strange and foreign shores;
Some lost new friends; some lost their lives
In long and brutal wars.

Other veterans answered a call
To support the ones who fought;
Their country had requirements for
The essential skills they brought.

We salute every one of them,
The noble and the brave,
The ones still with us here today,
And those who rest in a grave.

So here's to our country's heroes;
They're a cut above the rest;
Let's give the honor that is due
To our country's very best.

WELCOME HOME

To those who fought on foreign soil,
Who for our nation did perilously toil,
Who braved the bombs and bullets and mines
To return home to more peaceful times,
A hearty welcome home.

To those who fought on foreign soil,
Whose lives have been marred by the enemy's toil,
Who now must rebuild body, mind and soul,
And returning to normal is now the goal,
A supportive welcome home.

To those who fought on foreign soil
Whose lives did end through dangerous toil,
To arrive home flag-draped, silent and still,
And rest in peace beneath the grass on the hill,
A reverent welcome home.

WE OWE THEM A LOT

On Veterans Day we remember again
Our men and women who served;
We honor them now
for what they did then:
The liberties they preserved.

Let's never forget their sacrifice,
The hard, heavy work they have done;
They did what was asked,
Crucial needs they fulfilled,
With a telephone, pencil or gun.

We're happy and proud to honor them;
They gave so much more than they got.
Our heroes, our veterans
kept freedom safe;
All of us owe them a lot.
