### My Mother Kept A Garden

My Mother kept a garden,  
A garden of the heart.  
She planted all the good things  
That gave my life its start.

She turned me to the sunshine  
And encouraged me to dream.  
Fostering and nurturing  
The seeds of self-esteem.

And when the winds and rain came,  
She protected me enough.  
But not too much because she knew  
I'd need to stand up strong and tough.

Her constant good example  
Always taught me right from wrong.  
Markers for my pathway  
That will last a lifetime long.

I am my Mother's garden.  
I am her legacy.  
And I hope today she feels the love  
Reflected back from me.

### Just One Mom

Hundreds of dewdrops to greet the dawn,  
Hundreds of bees in the purple clover,  
Hundreds of butterflies on the lawn.  
But only one mother the whole world over.

*George Cooper*

### Wonderful Mother

The heart of a home is a mother  
Whose love is warm and true,  
And home has always been "sweet home"  
With a wonderful mother like you!

### Being a Mother

Being a mother means that your heart  
Is no longer yours; it wanders  
Wherever your children do.

*George Bernard Shaw*
