We should be so full of Christ
that if a mosquito bites us,
it flies away singing...
There is Power in the Blood!

Patience is something you
admire in the driver behind you
and don't understand
in the driver ahead of you.

You Are Enough

Accept the reality that you are enough, just as you are and your entire life will change.

We are conditioned to feel that we are less than, that we are lacking, that we are cursed by a scarcity of courage or ambition or beauty or intelligence, and the list never ends. This is false.

You are not lacking, not at all. You are enough. Even with your flaws, your insecurities, your fears, even with every single imperfection, you are enough. It's as simple as that.

Live your life knowing this. When you approach each day wholly, without the belief that you are lacking, you invite new and inspired possibilities. Take risks, be vulnerable, speak your truth, be willing to look silly, because you are enough, no matter what.

Repeat these words: I AM ENOUGH.

Speak them into the mirror, close your eyes and chant them, shout them to the sky. Give yourself the gift of these words every day, and your reality will shift in unexpected, wonderful ways.

YOU ARE ENOUGH!

On Such a Morning

July has the greenest trees and morning ringing with stillness—wake up! Cup the sun in your hands, gathering light, drinking light, holding for a moment the secret of the universe.

Where night trailed the gleam of stars, meadow and field glisten with dew; where she lingered in her passing, trees stand in their deepest greening. I wake up!

Cool dawn is waiting for your breath, and from the horizon of your vision rises the promise of peace on such a morning.

The Rosebud

It is only a tiny rosebud,
A flower of God's design;
But I cannot unfold the petals
With these clumsy hands of mine.
The secret of unfolding flowers
Is not known to such as I.
God opens this flower so easily,
But in my hands they die.
If I cannot unfold a rosebud,
This flower of God's design,

Then how can I have the wisdom
To unfold this life of mine?
So I'll trust in God for leading
Each moment of my day.
I will look to God for guidance
In each step of the way.
The path that lies before me,
Only my Lord knows.
I'll trust God to unfold the moments,
Just as He unfolds the rose.
