NEXT SUNDAY'S HOMECOMING SERVICE NOTES:

- Praise & Worship Song Service with our very own Marbleton Quartet will begin at 10:00 A.M.
- There will be a **short break** "around 10:45 A.M." before the preaching service begins for a time of meet & greet.
- Homecoming Worship Service **continues** at 11:00 A.M. with Pastor Cody Fox preaching since this is his first Homecoming service with us as our pastor.
- We will be having a **Homecoming Luncheon** immediately following the service at the Fellowship Hall around 12:30ish. Each family will need to bring a **meat, vegetable, pack of ready-to-eat rolls and a dessert**. The drinks and ice will be provided by the church. A clean-up crew will be needed after the meal.
- **Invite & Pray** that the Lord will use this service as an outreach tool and that souls may be saved.
- **NOTE:** There will be **no** Sunday School classes, Children's Church or Nursery for Homecoming Sunday as we want everyone to be able to enjoy this special service. In addition. There will be **no** evening services that night due to the extended morning services.

Make plans to Celebrate our church's Homecoming next Sunday morning! We will be praising God for His blessings on the church, for sending us a paster, and for His Mercy, Goodness & Love!

We Are a Generation That Will Never Come Back

A generation that walked to school and then walked back home.
A generation that did their homework alone to get out as soon as possible to play in the street.
A generation that spent all their free time in the streets with their friends.
A generation that played hide and seek when dark.
A generation that made mud cakes.
A generation that collected sports cards.
A generation that found, collected, washed and returned empty coke bottles to the local grocery store for 5 cents each, then bought a Mountain Dew and candy bar with the money.
A generation that made paper toys with their bare hands.
A generation who bought vinyl albums to play on record players.
A generation that collected photos and albums of clippings of their life experiences as a kid.
A generation that played board games and cards on rainy days.
A generation whose TV went off at midnight after playing the National Anthem.
A generation that had parents who were there.
A generation that laughed under the covers in bed so parents didn't know we were still awake.
A generation that is passing and unfortunately it will never return no matter how hard we try.
I loved growing up when I did. It was the best of times.

Little things done for God become great things.

A Sunday School teacher, I don't know his name,
A wonderful preacher who never found fame,
So faithful, so earnest, when I was a boy-
He stuck to his task though I tried to annoy.
He never was missing, in cold or in heat,
A smile his face lighted the moment we'd meet.
He taught by example as well as by word,
That faithful, true teacher who honored his Lord.
He helped my young life more than ever he knew ...
Later years I remembered and tried to be true.
I suppose he's gone now to join Heaven's ranks,
But I hope up in Glory someday to say, "Thanks"!
