We thank God for sending you to us Pastor Cody.
We sincerely appreciate your devotion,
your dedication, your love, your spirit,

A Little Prayer Especially for You

May warm sun shine upon your day
And stars light up your night,
May you always know the road to take
When the forks turn left and right.
May roses shed their fragrance
And birds sing all the way

As good friends walk beside you
To add joy to every day.
May all life's little shadows
Be brightened from above,
And your heart feel all the happiness
Of our Heavenly Father's love.

In Whatsoever State—Content

Sometimes with triumph I abound,
Sometimes I know defeat;
The secret I have learned to take
The bitter with the sweet:
For, whatsoever my state may be,
All things through Christ who strengthens me!

In sickness and in health alike
I have the selfsame creed;
It serves me when well satisfied
And when I suffer need:
For, whatsoever my state may be,
All things through Christ who strengthens me!

So, in whatever state I am,
I live contentedly;
In all things now, and anywhere,
Through Christ who strengthens me,
This secret hath my soul sufficed:
I find sufficient strength through Christ!

Autumn Blessings

Autumn brings to the soul relief,
as hot Summer days slip to an end
God sent the season for weary hearts
to restore, repair, and mend.

Unlike the Autumn trees,
that shed their changing leaves
God sent the season for failing hearts
to adhere, embrace, and cleave.

Just as with the Autumn winds,
there comes a new refreshing rain
God sent the season for fraying hearts
to increase, grow, and gain.

The Autumn sun is slow to climb
and dips much earlier into the night
God sent the season for sleepy hearts
to rise, shine, and unwind in His light.

God gave to us the Autumn season,
so we could have a respite and rest
for it is the season for our beset souls
to see how much we are blessed!

Pass It On

When your heart is full of love,
When you've more than you can eat,
When you're tired of all your clothes,
Pass them on.

When you hear of someone's needs,
When you have more than you spend,
Open up your heart with love,
And pass your money on.

When someone has a lot to bear,
When someone needs a helping hand,
Then take whatever you may have,
And pass it on.

For life is meant for giving,
And for loving all you can,
So always take what God gives you,
And pass it on.

Autumn's Not Too Far Away

Autumn's not too far away,
I saw a leaf fall down today,
And tho it seemed so full of hope,
When winter comes, the trees can cope.

God has designed each one, you see,
To stand the chill so lovingly,
Tho it be just a maple small,
Or mighty oak so proud and tall.

They brave the night so dark and cold
And winter when the north winds blow,
Some standing high upon a hill,
God warms them with His loving will.

The winter isn't far away
When branches all begin to sway,
Snow soon will cover up the ground,
Today I saw a leaf fall down.
