HAPPY BIRTHDAY: Dennis Ledford (Jan. 30<sup>th</sup>)

Our church uses a call-out phone system (Call Multiplier) to send out either text messages and/or recorded phone messages about changes in our services due to inclement weather or other changes & for sending out prayer requests for those in need. If you would like to receive a text or a call from the church regarding notifications, see Jay Denton to be added to the call out list.

### *Bless This House*

Bless this house, O Lord, we pray. Make it safe by night and day.  
Bless these walls so firm and stout, Keeping want and trouble out.  
Bless the roof and chimney tall, Let thy peace lie over all.  
Bless the doors that they may prove Ever open to joy and love.  
Bless the windows shining bright, Letting in God's heavenly light.  
Bless the hearth a-blazing there, With smoke ascending like a prayer.  
Bless the people here within... Keep them pure and free from sin.  
Bless us all, that one day, we may be fit, O Lord, to dwell with Thee.

War is when the government tells you who the bad guy is. Revolution is when you decide that for yourself.

If everyone is thinking alike, then no one is thinking.

Make yourself sheep and the wolves will eat you.

Motivation is when your dreams put on work clothes.

There are many roads to success, but only one sure road to failure; and that is to try to please everyone else.

Well done is better than well said.

The problem with doing nothing is not knowing when you're finished.

Believe none of what you hear and half of what you see.

Those who beat their swords into plowshares usually end up plowing for those who kept their swords.

Common sense is something that everyone needs, few have, and none think they lack.

Never ruin an apology with an excuse.

The person who knows HOW will always have a job, but the person who knows WHY will always be the boss.

When the well is dry, we know the worth of water.

The world is run by the people who show up.

If you want something done, ask a busy person.

A long life may not be good enough, but a good life is long enough.

Your argument is sound, nothing but sound.

Beware of the young doctor and the old barber.

Life's Tragedy is that we get old too soon and wise too late.

### **LIFE:**

*Life is a one way street, you are not coming back!*

*My life is of little value, if I fail to fulfill God's will.*

*Life isn't worth living unless you think it is.*

*Seek to make life richer for others and you'll find your own life becoming richer.*

*You get the most out of life when you give your life to Christ.*

*Jesus did not teach people how to make a living, but He did teach people how to live.*

*Life is only boring when it has no purpose or goal.*
