HAVE A HAPPY and SAFE Labor Day Holiday!

Lord, on this Labor Day, help us all realize that without the laborers, the harvest would never become a reality.

The Perfect Job

My first job was working in an orange juice factory but I got canned –couldn't concentrate.

After that I tried to be a tailor but I just wasn't suited for it, mainly because it was a so-so job

Then I tried to be a chef figured it would add a little spice to my life, but I just didn't have the thyme.

Next I tried working in a muffler factory but that was too exhausting.

I managed to get a good job working for a pool maintenance company but the work was just too draining

I attempted to be a deli worker but any way I sliced it, I couldn't cut the mustard.

Then I worked in the woods as a lumber jack, but I just couldn't hack it, so they gave me the ax.

Next was a job in a shoe factory. I tried but I just didn't fit in.

So then I got a job in a workout center but they said I wasn't fit for the job

After many years of trying to find steady work I finally got a job as a historian, until I realized there was no future in it.

I studied a long time to become a doctor but I didn't have any patience.

My best job was being a musician, but eventually I found I wasn't noteworthy.

I became a professional fisherman, but discovered that I couldn't live on my net income.

My last job was working at Starbucks but I had to quit because it was always the same old grind.

So I retired and found I'm perfect for the job, except there is no time

A LABOR DAY PRAYER

LORD on this Labor Day,
we thank You for the blessing of work.
We ask for strength to complete each day.
We ask for rest when we are weary.
We ask Your guidance for everyone
seeking employment and we ask that
You be with those whose faces we might never see,
but who work tirelessly each day for the good of us all.

Amen.
